(f) No, Sir.

(g) Does not arise.

Production of Antibiotics

3140. DR. H. P SHARMA: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that his Ministry is monitoring the production of Antibiotics;

(b) if so, what was the production of Chlormphenical, Tetracycline Oxytetracycline, Pyrolidine Methyl Tetracycline, Dimethyl Chlorotetracycline, Ampicillin, Amoxicillin, Streptomyclin Sulphate during the last three years, year-wise, alongwith the names of producers of each drug as well as the import of each drug during the same period;

(c) whether it is a fact that his Ministy has increased the mark up on formulations based on these drugs;

(d) what was the mark up allowed on each drug and combination of drug, under DPCO, 1979 and what is the mark up under DPCO, 1987; and

(e) what is the justification for increasing the mark ups?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETRO-CHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAICHANDRA SINGH): (a) and (b) Yes, Sir. To the extent details are available, company-wise production of monitored bulk drugs, in the organised sector, for the last three years, year-wise are given in the attached statement (*See* below). Details of imports are published in the Monthly Statistics for Foreign Trade in India Vol II, copies of which are available in Parliament Library.

(c) to (e) Yes, Sir. These drugs were allowed 55 per cent, 60 per cent and 100 per cent mark up under DPCO, 1979. They are now entitled for 75 per cent and 100 per cent MAPE under DPCO, 1987. The revised mark ups are as per measures announced by Government for rationalisation, quality control and growth of Pharmaceuticals Industry in India in December, 1986.

Statement

Price increase by drug Companies

3141. SHRIMATI SUDHA VIJAY JOSHI: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that the drug companies increased the prices of certain price decontrolled bulk drugs which are either produced by single company or two or three companies;

(b) if so, what is the percentage increase in the prices of these bulk drugs;

(c) what are the reasons for exempting such production from price control,

(d) whether his Ministry has examined the data about the increase in price;

(e) if so, what are the details thereof;

(f) whether it is also a fact that the prices of a number of finished medicines and vaccines have been increased by drug companies; and

(g) if so, what are the names thereof and justification given in each case?
